Station support two

Thursday 12 November 2026 | 12:50–14:10 | Year A

Set up

Thursday 12 November 2026. P5: support feedback panel B with the same shared task. Have feedback cards, approved labels or models and pencils ready. P6: support mixed team B. The teacher introduces and leads every task. Paper colour is a choice, not a level.

What to look for

Help pupils separate an observed feature from a guess. Tasting is optional and adult-controlled. A pupil can use appearance, a pack or a label and mark not tasted. Check the response tally without assuming ten responses or ten tasters. Keep a pass separate from Not sure.

Support and record

Point; ask a short question; rephrase; offer a frame or choice; model one first step, then return the task. No cold calling. Allow pointing, exact scribing, the usual aid or a private response. Record anonymous code, actual action, evidence reference and actual help. Keep any uncertain claim open for adult review.

Reset and P6 finish

Follow the stop and reset cue. At 13:35 to 13:40, hear the teacher's enquiry model with everyone. Help team B choose a call roleplay or unsent email draft and make the travel, kit and risk plan. Preserve at least one home pupil during short appointments. Finish: one evidence-based feedback reason, then an enquiry and a clear adult check. No booking or external contact is performed.
