# Word Page

## review · Tier 2

Look back at what you did.

Use the real work to help you look back.

## strength · Tier 2

A part that went well.

Show one clear stop cue.

## clue · Tier 2

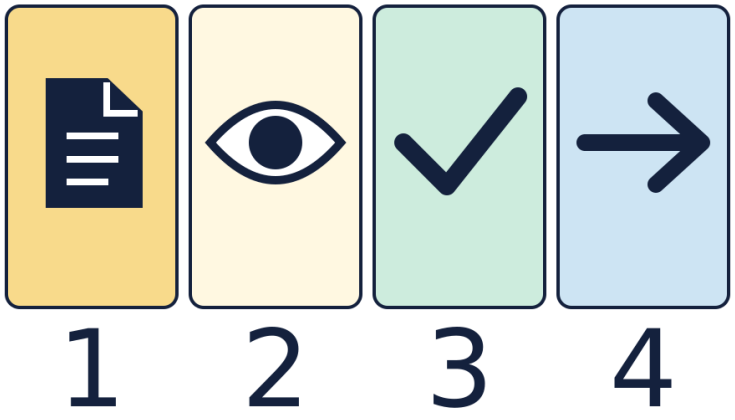

A thing you can use to check an idea.

Point to a real cue sketch.

## specific · Tier 2

Clear about one small thing.

Move the cue where all can see it.

# Word Page · continued

## evidence · Tier 3

A real record that supports what you say.

Use a note from the actual group piece.

## observation · Tier 3

What you saw or heard.

The group stopped at the square cue.

## response · Tier 3

What you do after a next step.

Show the change you made.

## compare · Tier 2

Look for what is the same or not the same.

Check one cue before and after a change.

## Picture colours

Picture colours. Navy is used for symbols, lines and numbers. White is the page and the eye space. Amber, cream, mint green and pale blue are cue box fills. Grey and silver are used in the mark. Black is used for the mark corners. Words, numbers and shapes give the meaning. Green · Ready, Amber · Help, Red · Pause.
