We do

Find my clue

Stay seated. One partner can see a real cue sketch or art piece. The other looks at their own book.

Give clear words or signs for one detail. The partner draws or points to that detail in their book.

Show the real work. Check the match, then swap. Keep a missing clue as a gap. You may pass.

Points: 1 team point for finding a real detail. 1 more for linking it to the same good part. Every team can score. Try again.

We do

Our shared task

Find a real cue sketch, art piece or note from the group piece.

Point to one part that went well. Use a quiet role if that was your part.

Say or show what was seen or heard at that moment.

Link the clue to the strength. Check that both refer to the same part.

Compare a clear note with a note that just says it was good.

In your book, keep one real clue and one short strength note.

Points: 1 team point for finding a real detail. 1 more for linking it to the same good part.
