Word Page

claim · Tier 2

What you say your work shows.

I learnt to use a clear stop cue.

link · Tier 2

Join an idea to the right piece of work.

Point to the page as you share.

reply · Tier 2

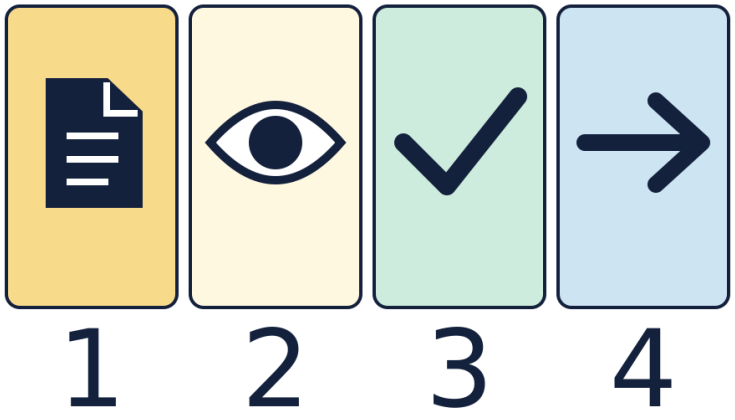

What someone says, signs or shows back.

Keep only the reply you got.

compare · Tier 2

Look for what is the same or not the same.

Compare your first share with your next try.

Word Page · continued

arts log · Tier 3

A record of your arts work and learning.

Keep real work and notes together.

evidence · Tier 3

Real work or a record that supports a claim.

Show the cue sketch you made.

index · Tier 3

A list that shows where to find work.

Find the page from its entry.

locator · Tier 3

A note that tells you where a record is.

Use the real page number or file title.

Picture colours

Picture colours. Navy is used for symbols, lines and numbers. White is the page and the eye space. Amber, cream, mint green and pale blue are cue box fills. Grey and silver are used in the mark. Black is used for the mark corners. Words, numbers and shapes give the meaning. Green · Ready, Amber · Help, Red · Pause.
