Word page

Practice map · invented place · each square represents 100 m

A four-by-four grid with eastings 10 to 14 and northings 20 to 24, with labelled feature symbols. The key identifies the library, hall, health centre, park, school and bus stop.

Tier	Word	Meaning
Tier 2	settlement	A place where people live
Tier 2	urbanisation	Growth in the share of people living in urban places
Tier 2	land use	What land is used for
Tier 2	GIS	Mapping information in separate data layers
