Guidance.

This is learning about religion and worldviews, not worship. Big questions have more than one reasoned answer. Nobody must share a personal belief, and passing is always allowed.

Formative practice. Record actual actions, support and gaps.

Accept the pupil’s own example or a pass. Record their own words and actual support.

Preparation and safety.

Prepare the big-question cards and sentence frames. Remind pupils that a fictional or classroom example is welcome and nobody has to speak about private family matters.

Teaching script 1.

Arrival · 4 min.

Invite a private regulation check. Green · Ready, Amber · Help, Red · Pause. Return to learning: quiet pause, usual aid, one short task, then rejoin at the current step. Offer a quiet start, usual aid or pass. Use the cue and accept the pupil’s usual communication mode.

Starter · 3 min.

Starter question 1 revisits last week. Take one minute for recall and reveal. What two things can a red poppy stand for? Cue: Memory · hope. Expected: It can stand for remembering people and hope for peace. Then ask: Which word joins a view to its reason? Expected: The word because joins a view to its reason. Use the big question cards. A made-up example is welcome.

Teaching script 2.

I do · 5 min.

Join a view to a reason with because. Pick one big question from the cards. Say what you think in a clear view. Add because and one clear reason. Question: What makes a thing special? View: I think a card is special because it reminds you of a kind friend. Big questions have more than one good answer. Just saying it is gives no reason. Two people can differ and both give good reasons.

We do · 8 min.

Which answer gives a clear view and a reason? Ask for a choice and a reason before revealing. B. It states a view and uses because to give a clear reason. Why can two different answers both be strong on a big question?

Teaching script 3.

You do · 13 min.

Read the big questions and example cards before writing. Pupils may use a classroom character or example rather than their own life. Support reading and scribing while letting the pupil choose the view and reason. In your book, pick one big question. Write I think __ because __. Check that your answer gives a clear reason. Supported route. Pick one big question card and one reason card. Finish I think __ because __. Independent route. Pick a big question and write your view with because. Improve a weak answer by adding a clear reason. Aspire challenge: Write your view and reason with because. Add a second view someone else might hold and their reason. Choice route. Pick a route and a way to reply. Show a view and one reason for a big question.

Teaching script 4.

Review · 4 min.

Check your sentence for the word because and one clear reason. Optional. Respond to feedback with an adult. You may pass. Mark R only after the pupil has responded to feedback with an adult. Keep the first response and any change separate. Edit in the same colour, on the same page or usual mode.

Exit · 3 min.

Ask the two route checks. What helped you most today, or what would you change next time? Point, speak, sign, draw, write or choose. You may pass. Accept the pupil’s own example or a pass. Record their own words and actual support. At check-out, record E for … against the pupil's target.
