Planned adaptations

Need	Plan
Read or sequence	Use one drawing and one evidence card at a time. Label before writing.
Communicate	Invite a private response, point, sign or exact scribing.
Pause and return	Offer a quiet pause, then return to one match on Supported.
Access the drawing	Enlarge it or describe each feature in order.

Catch-up embedded this lesson: revisit how a community helps people belong in the Starter, then link shared use to the mosque in We do.

If behind

Keep the model link, one shared match, the checkpoint, one book record and the exit. Shorten repeated sorting.

P18 · Individual target opportunities

Use only the learner’s actual agreed target.

Opportunity	Evidence	Actual support
Sequence	Find a feature, then match a purpose.	_____
Communicate	Explain a feature using a card clue.	_____
Review	Keep or revise a label after a check.	_____
Regulate	Use a pause or respond privately.	_____

Teacher models card B. A second adult, if available, supports reading or exact scribing. With one adult, set out a card and return to check the learner’s own reason.

Give thinking time, point to a clue, ask a short question, then offer a frame or limited choice. Invite a response. The learner may pass.

First lesson back · once-only read

Before teaching, check what pupils can show from the previous lesson. Use the starter to revisit how people can belong.

This is learning about religion and worldviews. Nobody is asked to share a personal belief, family detail or loss.

Teacher answers · Starter

Starter

How can a faith group help people belong?

It can share a meal, pray together or serve others.

Starter

Which picture clue suggests people can pray in rows?

The open floor in picture 1 has room for rows. Card A describes this space.

Starter

Which clue suggests a set direction for prayer?

Picture 2 shows a niche in a wall. Card B explains that it is a mihrab.

Starter

Can this drawing tell us what every mosque looks like?

No. It shows example features. Mosques differ in size and design.

I do · 1

What is our question?

Name one feature of a mosque and its purpose.

I do · 1

Where can I look for a clue?

Start with picture 2 and card B.

Made by Matt

Teacher answers · Starter · continued

I do · 2

What does card B call this niche?

It is a mihrab.

I do · 2

What does the card say it shows?

It shows the direction Muslims face for prayer.

I do · 3

What is the mihrab for?

The mihrab shows the direction for prayer.

I do · 3

What does this tell us about the practice?

People face a set direction as they pray. The feature helps show that direction.

I do · 4

Is a place of worship used only for worship?

No. Many also serve the community.

I do · 4

What extra evidence supports that answer?

Card D describes classes, food banks and community meals.

Teacher answers · We do

We do

Match the open carpeted floor to its purpose.

The open floor gives people room to pray in rows. Use card A.

We do

Match the washing area to its purpose.

Many Muslims wash before prayer. The washing area helps them prepare. Use card C.

We do

Match the mihrab to its purpose.

It shows the direction for prayer. Use card B.

We do

Is a food bank a worship or community use?

Community use. It provides food for people who need it. Use card D.

We do

Can one building support worship and community use?

Yes. Cards A and D describe space for prayer and help for the community.

We do decision checkpoint

Which claim fits cards A and D?

It can support worship and community use. Card A shows room to pray. Card D gives examples of classes, food banks or shared meals.

Made by Matt

Teacher answers · We do · continued

We do decision checkpoint

What should we check before we go on?

Give one worship clue and one community clue. If you have only one, read the other card and try your claim again.

Made by Matt

Teacher answers · You do

You do · Supported

Check two picture labels.

Picture 1 is the prayer hall. Picture 2 is the mihrab. Picture 3 is the washing area.

You do · Supported

Check one purpose.

The hall gives room for rows. The mihrab shows the direction for prayer. The washing area helps people prepare.

You do · Independent

Check your features and purposes.

Use card A for rows, card B for prayer direction or the imam’s talk, and card C for washing before prayer.

You do · Independent

Check your visitor tip.

For example, follow the host’s guidance about shoes and keep clear of people at prayer.

You do · Aspire

Check your link to a practice.

The mihrab shows a set direction for prayer. The washing area supports wudu before prayer.

You do · Aspire

Check why your tip shows respect.

For example, ask the host where to leave shoes. This follows the local practice and helps keep the prayer area clean.

Made by Matt

Teacher answers · You do · continued

You do · Choice

Check your two matches.

Hall: pray in rows. Mihrab: show prayer direction. Washing area: prepare for prayer.

You do · Choice

Check your tip.

A tip should help a visitor follow the host’s guidance or avoid interrupting worship.
