# Rights charter and community task

Explore rights, responsibilities and getting on as citizens.

All people and groups are invented. No real dispute, name, signature or private reminder is needed. Keep your usual aids. You can pass or ask for the agreed pause.

### Choose one format

B Make a map or list. C Write a short advice note. Both include every part below. Work in your book or use Type instead on page 2.

### Part 1 Rights and actions

Use Support Cards page 1. Keep all four matches from guided work. Explain how one action helps protect a right. Rights are not earned by doing the action.

### Part 2 An invented class charter

Use Support Cards page 2. Write three short charter lines for the made-up class. Include fair access and a trusted adult help route. No names or signatures. This is not an agreement to real class rules.

### Part 3 The community scene

Use Support Cards page 3. Give a safe and fair step, a reason and trusted adult help. Do not move any aid or belongings without asking.

### Shared success checks

Match all four rights and actions. Explain one link. Draft three short charter lines for an invented class. Use the community scene to give a safe and fair next step with a reason and trusted adult help. Both formats include every part.

### Charter and task choice

Words: everyone, listen, space, help

Start: Everyone can… We can…

Model: Everyone can take part. We make space with help.

### Learning self check

Ready to explain [ ]  With a prompt [ ]  Need another example [ ]

All boxes start blank. Check fictional learning only. This does not rate real conduct, personal background or legal status.

### One next step

Keep your first try, one next step and your reply in the same colour, on the same page or usual mode. A staff listener hears a fictional charter idea and explains how it could improve the draft.
