Original grouping Choices and help. Five teaching weeks: 22 February to Thursday 25 March 2027.

Exact lesson outcomes

Practise help-seeking and decision-making in scenarios.

Relationships & citizenship task; bank evidence.

Learning and evidence

For all three made-up scenes, give a safe choice and a reason, a safe action or phrase, and a private trusted-adult help route. Tell first if unsafe or unsure. Improve one response after feedback. Map/list or three short notes both cover all three scenes. Use the blank six-outcome grid with actual current or prior work references. Record usual aids, content prompts, one NS and actual reply.

0 to 10	Arrival and starter 5; input 5.
10 to 22	Model and guided work 7; private hinge and choice 5.
22 to 40	All three scenes 12; review 4; private exit 2.

Access and safe support

Books are the first route. Evidence Sheet page 2 offers Type instead for either format and all three scenes. Point, draw, choose a line, use a usual aid or exact scribe. Read back quietly and allow correction. Keep normal access and language aids. Plan in any language. No public questioning. Before teaching, agree a discreet HELP or PAUSE signal, available adult and familiar supervised place and route. Staff acknowledge it quietly and keep adult support. No public reason is needed. Offer a neutral task, supported return or private catch-up. No learner leaves alone. Any disclosure goes to the safeguarding lead through school procedure. Listen calmly, reassure, do not probe, investigate or promise secrecy. Follow urgent school procedures for immediate concerns. Keep real concerns and identifying details in the separate safeguarding record, not learning evidence. A pupil unable to identify a trusted adult is supported privately, not pressed.

Calendar adaptation and source

Source row 74 is labelled Spring 2 Week 5 and row 75 Week 6. The owner folds both exact outcomes into this Week 5 assessing lesson. No sixth teaching week is built. GROW Weekly Spring rows 74 and 75 C74 and C75, checked verbatim. The owner combines both outcomes into Week 5 on Wednesday 24 March 2027 P3. This is the assessing week.

The unit award is conditional on staff checking actual requirements and evidence sufficiency. Completion does not automatically bank evidence or secure the unit award. This helps me make fair choices, seek support and explain a safe next step in learning, groups and future work. Offer to the Communication portfolio; staff confirm mapping. Evaluation stays blank until taught.
