

People who help us

Knowledge organiser

Learning goal

Identify people who help in the community.

Enquiry

Who helps us belong to a community?

Word	Meaning
community	People linked by a place or activity
care	An action that meets a need
belong	Feel included in a group
service	Work that helps people

Key knowledge

The library.

A reason shows how the service meets the particular need.

A frame to use

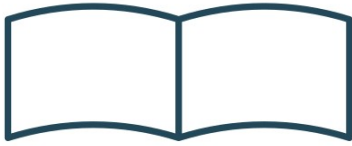

The request is _____. The _____ can help by _____.

Remember

Use a fictional person or place if preferred. The practice map is invented and is not a route to follow outside school.

Supported arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book?

Help: Choose A or B. Point first; an adult can record your choice.

2 Which place could help someone borrow a book?

Help: Read or listen to the relevant evidence card; point first.

3 Find “care” in word help. What does it mean?

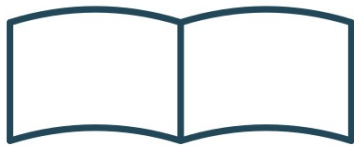

Help: Use the word and meaning cards together.

4 Why should you explain a helper choice?

Help: Use the source limit or map key as a clue.

Standard arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? Explain your choice.

Help: Choose A or B. Point first; an adult can record your choice.

2 Which place could help someone borrow a book?

Help: Use one source detail or labelled map feature.

3 Explain care using an example.

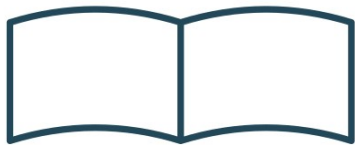

Help: Choose an example from the evidence cards.

4 Why should you explain a helper choice?

Help: State the reason for your answer.

Stretch arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

A · Library books

B · Help desk

1 Which picture can help someone find a book? What can this teaching picture not tell us?

Help: Separate the illustration from historical or personal evidence.

2 Which place could help someone borrow a book? Give supporting evidence.

Help: Name the source or data label.

3 How does care help answer today’s enquiry?

Help: Explain the connection, not only the definition.

4 Why should you explain a helper choice? Explain a limit or further check.

Help: Think about what the supplied evidence leaves uncertain.

Evidence cards

Read or listen to the cards. Original historical records, authored summaries and fictional teaching cases are labelled separately.

A Alex and Sam

Fictional case: Alex is new to the youth club. Sam, a trusted club worker, explains the choices and shows Alex a quiet place.

Authored classroom case

Limit: This example does not describe every person or place.

B Library

A library lends books and can offer space to read or find information. Our practice map puts the library in square 1021.

Authored classroom case

Limit: This example does not describe every person or place.

C Health centre

The practice health centre is in square 1221. A receptionist helps people arrange appointments; trained health staff provide care.

Authored classroom case

Limit: This example does not describe every person or place.

D Park and hall

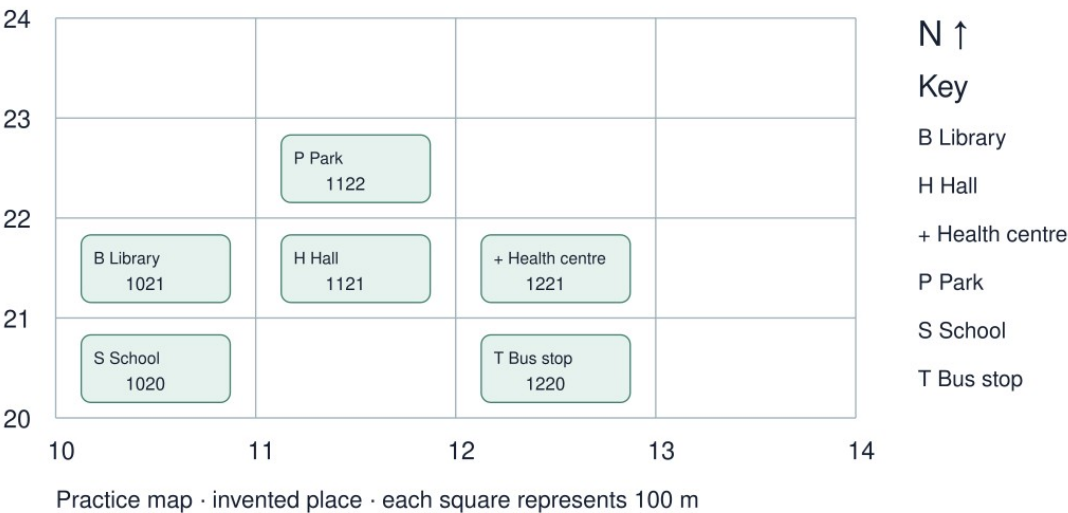

Our practice park is in 1122 and community hall in 1121. The hall hosts a drawing club with an optional quiet table.

Authored classroom case

Limit: This example does not describe every person or place.

Visual resources and data

Keep this page beside the shared and independent tasks.

Use the resource

Which place could help someone borrow a book?

Why should you explain a helper choice?

Shared investigation

Make a decision, check the evidence, then explain. An individual or private response can replace speaking to the group.

- 1. Read the help requests.
- 2. Choose a service, then check what it actually offers.

Item or draft	My decision or revision
Borrow a book	
Arrange a health appointment	
Join the drawing group	

Support choices

Supported: Read one request. Choose between two options before explaining.

Standard: Choose an option and link it to the precise need or risk.

Stretch: Compare two defensible options and identify a trade-off.

Our explanation

Supported independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Make a help-desk reply to one scenario: a book to borrow, an appointment to arrange or a club to join.
- 2. Choose a helper or service.
- 3. Explain the match in a caption or recorded response.

Help

Begin with one step. Read the sources with an adult, reduce the visible choice set and use: The request is _____. The _____ can help by _____.

Keep all required evidence; speech, pointing, drawing and exact scribing are available.

My outcome and supporting evidence

Check: scenario choice and one recorded response.

Standard independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Make a help-desk reply to one scenario: a book to borrow, an appointment to arrange or a club to join.
- 2. Choose a helper or service.
- 3. Explain the match in a caption or recorded response.

Help

The request is _____. The _____ can help by _____.

Check your evidence before adding a final explanation.

My outcome and supporting evidence

Check: scenario choice and one recorded response.

Stretch independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Make a help-desk reply to one scenario: a book to borrow, an appointment to arrange or a club to join.
- 2. Choose a helper or service.
- 3. Explain the match in a caption or recorded response.

Help

Plan your answer using the source labels. Use the frame if useful.

Give a second possible helper and explain when each would be useful.

My outcome and supporting evidence

Check: scenario choice and one recorded response.

Exit ticket choices

Choose one route. Answer both questions individually using your normal access support.

Supported

Which place could help someone borrow a book?

Why should you explain a helper choice?

Help: Use the word bank and a named evidence card.

Standard

Which place could help someone borrow a book?

Why should you explain a helper choice?

Help: Include a source detail, location or value.

Stretch

Which place could help someone borrow a book? Justify with evidence.

Why should you explain a helper choice? Evaluate a limitation.

Help: Weigh the evidence and name a limitation.
