Scheme of work

BUILD_A1_W06; My family my community and special people; SOW page 4

Exact outcome: Contribute to a class community map.

Teaching and application: Co-construct a photo/symbol map. Each learner adds a person or place and explains its importance; use a simplified map and clear role.

Assessment evidence: F: individual contribution plus one independent location/pattern question.

Forty minute sequence

Time	Stage
0–4	Arrival route
4–7	Starter and visual enquiry
7–13	Explicit model and optional captioned film
13–20	Shared interactive activity
20–22	Method check
22–34	Independent application
34–37	Review and improve
37–40	Two exit questions

Access and assessment

Use one-step instructions, symbols and a model first. Offer talk, point, draw, type or write. Reduce the number of choices; extend by asking for a reason or a second example. Adults prompt the first response then fade support.

Routes are flexible. Check the learner can begin within two minutes. Use reading, typing, exact scribing or oral responses without lowering the Humanities thinking. Fade prompts. Record what was independent. For a summative outcome, rehearse on a practice example and keep the final response individual.

Stage scaffolding

Starter, model and shared task: Start with a labelled place and a reduced set of location choices. Use the key, direction and location clues before answering.

Further challenge: Explain the effect of map scale or the limits of the location evidence.

Review: check the exact required outcome before improving presentation. Retain first and revised responses when useful.

The scheme provides no approved unit codes. The centre must select the exact unit and check every requirement. These resources prepare evidence; task completion does not establish an award.

Calendar and editing

Schedule Black History Month, remembrance, Human Rights Day, Holocaust Memorial Day and International Women's Day against the school calendar. The SOW sequence controls week numbering. Word text and tables are editable; HTML is the editable lesson source. Recheck layout and keep source details and answers aligned after changes.
