## Enquiry

How has migration shaped identity in Britain?

| Word        | Meaning                             |
|-------------|-------------------------------------|
| migration   | Moving to live in another place     |
| cause       | A reason something happened         |
| consequence | Something that happened as a result |
| provenance  | A source's origin and context       |

## Key knowledge

An order required a targeted group to leave within three months, a major disruption.

No. It records a proposed response; longer-term evidence is needed.

## A frame to use

My strongest evidence is \_\_\_\_ because it shows \_\_\_\_\_. A limit is \_\_\_\_\_.

## Remember

Authored paraphrases of real records. Reasons and experiences differed. Migration is not new to Britain; these cases are selected examples.

# Supported arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

## 1 Match “migration” to its meaning.

Help: Use the two word cards shown: migration and cause. Match the meaning to the word.

## 2 What can C show about impact?

Help: Read or listen to the relevant evidence card; point first.

---

---

## 3 Find “cause” in word help. What does it mean?

Help: Use the word and meaning cards together.

## 4 Does D alone establish a lasting legacy?

Help: Use the source limit or map key as a clue.

# Stretch arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

## **1 Use migration accurately in a sentence.**

Help: Keep the source context clear.

---

---

## **2 What can C show about impact? Give supporting evidence.**

Help: Name the source or data label.

---

---

## **3 How does cause help answer today's enquiry?**

Help: Explain the connection, not only the definition.

---

---

## **4 Does D alone establish a lasting legacy? Explain a limit or further check.**

Help: Think about what the supplied evidence leaves uncertain.

# Evidence cards

Read or listen to the cards. Original historical records, authored summaries and fictional teaching cases are labelled separately.

## **A 11 May 1948 telegram**

The Acting Governor of Jamaica told the Colonial Secretary that men had booked passages hoping for employment in Britain.

**TNA HO 213/714; official message, 1948**

Limit: A hope is not a guarantee. This does not establish everyone's reasons or later experience.

## **B 1947 to 1948 report**

Eric Walrond reported varied experiences: work for some men, but unemployment also described in the north-west.

**TNA CO 876/88; report, 1947–48**

Limit: Selected accounts do not measure the experiences of all migrants.

## **C 8 August 1972 Cabinet record**

British ministers discussed Idi Amin's order that Asian British-passport holders leave Uganda within three months.

**TNA CAB 128/50; British Cabinet minutes, 1972**

Limit: This records the ministers' discussion, not the voices of all the people affected.

## **D 15 March 1973 support letter**

The Uganda Resettlement Board asked voluntary organisations to support resettled families through visits.

**TNA T 353/63; letter, 1973**

Limit: A request records an intended response, not proof that every visit happened.

| Evidence | Focus                        |
|----------|------------------------------|
| A        | 11 May 1948 telegram         |
| B        | 1947 to 1948 report          |
| C        | 8 August 1972 Cabinet record |
| D        | 15 March 1973 support letter |

## Follow the method

1. Read the enquiry: What can C show about impact?
2. Locate the evidence: A — The Acting Governor of Jamaica told the Colonial Secretary that men had booked passages hoping for employment in Britain.
3. Think aloud: An order required a targeted group to leave within three months, a major disruption.
4. Check the limit or method: No. It records a proposed response; longer-term evidence is needed.

# Shared investigation

Make a decision, check the evidence, then explain. An individual or private response can replace speaking to the group.

1. Use impact, change and legacy as the ranking criteria.
2. Move evidence cards and justify why one matters most.

| Record       | Our response |
|--------------|--------------|
| Criterion    |              |
| First choice |              |
| Reason       |              |
| Limit        |              |

## Support choices

Supported: Choose two cards and one criterion: impact, change or legacy.

Standard: Rank the evidence and justify the strongest against a criterion.

Stretch: Defend an alternative ranking or identify a gap in legacy evidence.

# Supported independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Rank three pieces of evidence about the 1972 expulsion and resettlement.
- 2. Justify the strongest using impact, change or legacy.
- 3. Identify what the evidence does not show about long-term effects.

## Help

Begin with one step. Read the sources with an adult, reduce the visible choice set and use: My strongest evidence is \_\_\_\_ because it shows \_\_\_\_\_. A limit is \_\_\_\_\_.

Keep all required evidence; speech, pointing, drawing and exact scribing are available.
