Scheme of work

GROW_A1_W05; Migration and identity in Britain; SOW page 16

Exact outcome: Evaluate the significance of a person or event.

Teaching and application: Use impact/change/legacy criteria; rank evidence together, then justify which evidence best shows importance.

Assessment evidence: F: ranked evidence and justified choice.

Forty minute sequence

Time	Stage
0–4	Arrival route
4–7	Starter and visual enquiry
7–13	Explicit model and optional captioned film
13–20	Shared interactive activity
20–22	Method check
22–34	Independent application
34–37	Review and improve
37–40	Two exit questions

Access and assessment

Chunk sources and tasks; pre-teach vocabulary with images. Offer sentence stems, organisers, oral rehearsal and typing. Start with one modelled example; extend through a second source, comparison or supported judgement. Check the learner can begin within two minutes, then fade prompts.

Routes are flexible. Check the learner can begin within two minutes. Use reading, typing, exact scribing or oral responses without lowering the Humanities thinking. Fade prompts. Record what was independent. For a summative outcome, rehearse on a practice example and keep the final response individual.

Teacher answers and scaffolding

Core and exit answers

An order required a targeted group to leave within three months, a major disruption.

No. It records a proposed response; longer-term evidence is needed.

Shared task feedback

Review the pupil's evidence against: F: ranked evidence and justified choice. Open explanations are not automatically graded. Accept a different justified response that meets the outcome.

Arrival answers

Supported: 1. Moving to live in another place 2. An order required a targeted group to leave within three months, a major disruption. 3. A reason something happened 4. No. It records a proposed response; longer-term evidence is needed.

Standard: 1. Moving to live in another place 2. An order required a targeted group to leave within three months, a major disruption. 3. A reason something happened Accept a relevant example. 4. No. It records a proposed response; longer-term evidence is needed.

Stretch: 1. Moving to live in another place Accept an accurate contextual sentence. 2. An order required a targeted group to leave within three months, a major disruption. 3. A reason something happened Accept a supported connection. 4. No. It records a proposed response; longer-term evidence is needed.

Stage scaffolding

Starter, model and shared task: Choose two cards and one criterion: impact, change or legacy. Rank the evidence and justify the strongest against a criterion.

Further challenge: Defend an alternative ranking or identify a gap in legacy evidence.

Review: check the exact required outcome before improving presentation. Retain first and revised responses when useful.

The scheme provides no approved unit codes. The centre must select the exact unit and check every requirement. These resources prepare evidence; task completion does not establish an award.

Calendar and editing

Schedule Black History Month, remembrance, Human Rights Day, Holocaust Memorial Day and International Women's Day against the school calendar. The SOW sequence controls week numbering. Word text and tables are editable; HTML is the editable lesson source. Recheck layout and keep source details and answers aligned after changes.
