

Writing and evaluating an account

Knowledge organiser

Learning goal

Write and assess a structured account and source evaluation.

Enquiry

How has migration shaped identity in Britain?

Word	Meaning
migration	Moving to live in another place
cause	A reason something happened
consequence	Something that happened as a result
provenance	A source's origin and context

Key knowledge

A source evaluation.

It shows what the learner did independently and what access support was used.

A frame to use

My account answers _____. Source C is useful for _____ because _____. It cannot show _____.

Remember

Authored paraphrases of real records. Reasons and experiences differed. Migration is not new to Britain; these cases are selected examples.

Supported arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

1 Match “migration” to its meaning.

Help: Use the two word cards shown: migration and cause. Match the meaning to the word.

2 What must the assessment include as well as the account?

Help: Read or listen to the relevant evidence card; point first.

3 Find “cause” in word help. What does it mean?

Help: Use the word and meaning cards together.

4 Why record adult support?

Help: Use the source limit or map key as a clue.

Standard arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

1 What does migration mean?

Help: Use the word bank if needed.

2 What must the assessment include as well as the account?

Help: Use one source detail or labelled map feature.

3 Explain cause using an example.

Help: Choose an example from the evidence cards.

4 Why record adult support?

Help: State the reason for your answer.

Stretch arrival

Begin with questions 1 and 2. Continue when ready. Choose one route; reading, pointing and exact scribing are available on every route.

1 Use migration accurately in a sentence.

Help: Keep the source context clear.

2 What must the assessment include as well as the account? Give supporting evidence.

Help: Name the source or data label.

3 How does cause help answer today's enquiry?

Help: Explain the connection, not only the definition.

4 Why record adult support? Explain a limit or further check.

Help: Think about what the supplied evidence leaves uncertain.

Evidence cards

Read or listen to the cards. Original historical records, authored summaries and fictional teaching cases are labelled separately.

A 11 May 1948 telegram

The Acting Governor of Jamaica told the Colonial Secretary that men had booked passages hoping for employment in Britain.

TNA HO 213/714; official message, 1948

Limit: A hope is not a guarantee. This does not establish everyone's reasons or later experience.

B 1947 to 1948 report

Eric Walrond reported varied experiences: work for some men, but unemployment also described in the north-west.

TNA CO 876/88; report, 1947–48

Limit: Selected accounts do not measure the experiences of all migrants.

C 8 August 1972 Cabinet record

British ministers discussed Idi Amin's order that Asian British-passport holders leave Uganda within three months.

TNA CAB 128/50; British Cabinet minutes, 1972

Limit: This records the ministers' discussion, not the voices of all the people affected.

D 15 March 1973 support letter

The Uganda Resettlement Board asked voluntary organisations to support resettled families through visits.

TNA T 353/63; letter, 1973

Limit: A request records an intended response, not proof that every visit happened.

Evidence	Focus
A	11 May 1948 telegram
B	1947 to 1948 report
C	8 August 1972 Cabinet record
D	15 March 1973 support letter

Follow the method

1. Read the enquiry: What must the assessment include as well as the account?
2. Locate the evidence: A — The Acting Governor of Jamaica told the Colonial Secretary that men had booked passages hoping for employment in Britain.
3. Think aloud: A source evaluation.
4. Check the limit or method: It shows what the learner did independently and what access support was used.

Shared investigation

Make a decision, check the evidence, then explain. An individual or private response can replace speaking to the group.

- 1. Evaluate a short practice conclusion together.
- 2. Put the model away for the independent outcome.

Support choices

Supported: Use the checklist one item at a time; retain your own decisions.

Standard: Select evidence for each required outcome and explain what it shows.

Stretch: Evaluate a gap, improve the work and justify the final selection.

Our explanation

Supported independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Complete a structured account using the unit evidence.
- 2. Evaluate source C: what it is, what it shows, usefulness and one limit.
- 3. Review against the unit criteria and retain the account and evaluation separately.

Help

Begin with one step. Read the sources with an adult, reduce the visible choice set and use: My account answers _____. Source C is useful for _____ because _____. It cannot show _____.

Keep all required evidence; speech, pointing, drawing and exact scribing are available.

My outcome and supporting evidence

Check: account and source evaluation; retain best evidence.

Standard independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Complete a structured account using the unit evidence.
- 2. Evaluate source C: what it is, what it shows, usefulness and one limit.
- 3. Review against the unit criteria and retain the account and evaluation separately.

Help

My account answers _____. Source C is useful for _____ because _____. It cannot show _____.
Check your evidence before adding a final explanation.

My outcome and supporting evidence

Check: account and source evaluation; retain best evidence.

Stretch independent task

Complete this route only. Keep your own decisions; an adult may read, organise access or scribe your exact words.

- 1. Complete a structured account using the unit evidence.
- 2. Evaluate source C: what it is, what it shows, usefulness and one limit.
- 3. Review against the unit criteria and retain the account and evaluation separately.

Help

Plan your answer using the source labels. Use the frame if useful.

Weigh how the answer changes when D is considered alongside C.

My outcome and supporting evidence

Check: account and source evaluation; retain best evidence.

Exit ticket choices

Choose one route. Answer both questions individually using your normal access support.

Supported

What must the assessment include as well as the account?

Why record adult support?

Help: Use the word bank and a named evidence card.

Standard

What must the assessment include as well as the account?

Why record adult support?

Help: Include a source detail, location or value.

Stretch

What must the assessment include as well as the account? Justify with evidence.

Why record adult support? Evaluate a limitation.

Help: Weigh the evidence and name a limitation.
