

Migration causes and consequences

Learning goal: Explain causes and consequences of migration linked to Black History Month.

Words to use

Word	Meaning
migration	Moving to live in another place
cause	A reason something happened
consequence	Something that happened as a result
provenance	A source's origin and context

Remember

Why is one explanation for all migration inadequate? The sources show different reasons and constraints, including work hopes and forced departure.

What is the limit of using D as consequence evidence? It records a response that was requested, not evidence of its delivery.

How to show your learning

Write a connected explanation using A, C and D.

A supports ____, whereas C _____. Consequently _____. D records ____ but does not prove _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
