

Evaluating a digital archive source

Learning goal: Research and evaluate a digital archive source.

Words to use

Word	Meaning
migration	Moving to live in another place
cause	A reason something happened
consequence	Something that happened as a result
provenance	A source's origin and context

Remember

Is an archive website the original creator of every document it hosts? No. Distinguish the historical creator from the modern archive.

What makes a usefulness judgement convincing? A precise enquiry, source detail, provenance and a relevant limit.

How to show your learning

Research the linked telegram or Cabinet record.

Archive reference _____. Original source _____. Later catalogue context _____. Useful for _____ because _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
