What is the gap between 1948 and 1972? 24 years.

Why are linked explanations more useful than dates alone? They explain the changes and the evidence behind them.

How to show your learning

Build interactive or paper timeline entries for 1948, 1972 and 1973.

Date ____ . Event ____ . Evidence ____ . Change ____ .

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
