

Teacher card

People who shaped diverse British history / LAUNCH_A1_W05

Outcome: Investigate people who shaped diverse British history.

Evidence to retain: F: evidence-based judgement and exit check.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Race does not determine interests, abilities or identity. Study named people through evidence; nobody needs to explain their own background.

Access and regulation

Pre-teach terminology and model evidence use. Chunk sources and data; provide an initial frame, then reduce it. Maintain normal access arrangements. Extend by weighing limitations, alternative explanations and evidence quality. Adults support access and evidence selection without supplying answers.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

Use sensitive content warnings where relevant. Do not ask for family details or personal experiences.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: Does a payment record establish a musician's employment?

Evidence: J John Blanke in 1507: A royal payment record identifies John Blanke as a trumpeter paid at the English court in 1507.

Think aloud: Yes, in the documented setting and period.

Check: Does it alone measure influence on later generations? No. That needs additional evidence.

Arrival answers

1. 24 years.
2. Something we use to find out
3. Yes, in the documented setting and period.
4. No. That needs additional evidence.

Shared activity reasoning

Exit responses

Does a payment record establish a musician's employment? Yes, in the documented setting and period.

Does it alone measure influence on later generations? No. That needs additional evidence.

Teaching and evidence record

Supplied scheme of work teaching sequence: Evaluate impact/change/legacy; rank evidence and justify a significance judgement.

Look for

F: evidence-based judgement and exit check.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
