

A structured account using evidence

Learning goal: Write a structured account using evidence with English links.

Words to use

Word	Meaning
migration	Moving to live in another place
cause	A reason something happened
consequence	Something that happened as a result
provenance	A source's origin and context

Remember

What does an explanation add to evidence? It shows how the detail supports the claim or answers the question.

Why qualify a conclusion about identity? Official records do not capture all personal experiences.

How to show your learning

Plan and draft a structured answer about migration and identity.

Claim _____. Source _____ supports this through _____. This means _____. Overall, with the limit _____, _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
