

Arrival choices

Previous lesson reminder:

Start with 1 and 2. Try 3 and 4 when ready. Reading and exact scribing are available.

1 What does an explanation add to evidence?

Support: Use the reminder strip or talk it through with an adult.

My response

2 Which meaning fits migration?

Support: Choose: Moving to live in another place OR A reason something happened.

My response

3 Does a limitation make a source useless for every question?

Support: Use the model evidence anchor B, C or read one relevant card together.

My response

4 What evidence must be retained?

Support: Give a reason when ready.

My response

Stretch: use a precise example or explain which detail supports your answer.

Evidence cards

Read, point or listen. Keep the source label with any detail you use.

A 11 May 1948 telegram

The Acting Governor of Jamaica told the Colonial Secretary that men had booked passages hoping for employment in Britain.

Source: TNA HO 213/714; official message, 1948

Limit: A hope is not a guarantee. This does not establish everyone's reasons or later experience.

B 1947 to 1948 report

Eric Walrond reported varied experiences: work for some men, but unemployment also described in the north-west.

Source: TNA CO 876/88; report, 1947–48

Limit: Selected accounts do not measure the experiences of all migrants.

C 8 August 1972 Cabinet record

British ministers discussed Idi Amin's order that Asian British-passport holders leave Uganda within three months.

Source: TNA CAB 128/50; British Cabinet minutes, 1972

Limit: This records the ministers' discussion, not the voices of all the people affected.

D 15 March 1973 support letter

The Uganda Resettlement Board asked voluntary organisations to support resettled families through visits.

Source: TNA T 353/63; letter, 1973

Limit: A request records an intended response, not proof that every visit happened.

Shared investigation

1. Review the assessment criteria using a practice claim.

2. Keep the final source responses individual.

Work with a partner or adult, or use your own table. One person suggests; the other checks the evidence. Swap after one turn. Passing is allowed.

Use the evidence cards and any visual sheet. Follow the two shared steps above, then record one decision.

Our explanation

Support: Use the glossary and one chunk of evidence. Plan the claim and supporting detail before explaining.

Further challenge: Explain how a source can be useful despite a limitation.

Supported independent task

Complete this route only. Complete a source based assessment.

1. Independently interrogate B and C, then compare their usefulness for explaining migration experiences.
2. Select evidence and make supported judgements with limits.
3. Retain annotated sources and a conclusion for relevant centre-selected UAS mapping.

Support: Use the glossary and one chunk of evidence. Plan the claim and supporting detail before explaining. Complete the organiser one space at a time. Source B supports _____. Source C supports _____. For this question, _____ is more useful because _____.

My answer to the assessment enquiry

My evidence and source

My explanation or comparison

My conclusion and what the evidence does not show

An adult may read or scribe your exact response. They should not choose the answer.

Standard independent task

Complete this route only. Complete a source based assessment.

1. Independently interrogate B and C, then compare their usefulness for explaining migration experiences.
2. Select evidence and make supported judgements with limits.
3. Retain annotated sources and a conclusion for relevant centre-selected UAS mapping.

Support: Source B supports _____. Source C supports _____. For this question, _____ is more useful because _____.

My answer to the assessment enquiry

My evidence and source

My explanation or comparison

My conclusion and what the evidence does not show

Check the required evidence and revise one detail.

Stretch independent task

Complete this route only. Complete a source based assessment.

1. Independently interrogate B and C, then compare their usefulness for explaining migration experiences.
2. Select evidence and make supported judgements with limits.
3. Retain annotated sources and a conclusion for relevant centre-selected UAS mapping.
4. Explain how a source can be useful despite a limitation.

Support: Choose the evidence independently. Use the frame only if it helps.

My answer to the assessment enquiry

My evidence and source

My explanation or comparison

My conclusion and what the evidence does not show

Explain how a source can be useful despite a limitation.

Exit ticket

Choose a response mode. You may give your answers privately to an adult.

Does a limitation make a source useless for every question?

My response

What evidence must be retained?

My response

Support: Source B supports _____. Source C supports _____. For this question, _____ is more useful because _____.

Further challenge: Explain how a source can be useful despite a limitation.
