Comparing celebrations / BUILD_A2_W02

Outcome: Compare how different communities celebrate.

Evidence to retain: F: comparison grid and explanation.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Learn about observances without asking anyone to practise a religion. Use unlit objects. Dates and family practices vary.

Access and regulation

Use one-step instructions, symbols and a model first. Offer talk, point, draw, type or write. Reduce the number of choices; extend by asking for a reason or a second example. Adults prompt the first response then fade support.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

Use sensitive content warnings where relevant. Do not ask for family details or personal experiences.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: Name one shared feature.

Evidence: D Diwali: Many Hindus mark Diwali with lamps, worship and gatherings. Light can express good overcoming evil and knowledge overcoming ignorance. Practices and stories vary. H Hanukkah: Hanukkah is a Jewish festival lasting eight nights. Lights recall the Temple's rededication and the traditional account of oil lasting eight days. A hanukkiah has eight festival lights and a helper light.

Think aloud: Both can use lights in celebration.

Check: Name one difference supported by the sources. Hanukkah lasts eight nights; its lights recall rededication and the oil tradition.

Arrival answers

1. Good overcoming evil or knowledge overcoming ignorance.
2. A special period of celebration or remembrance
3. Both can use lights in celebration.
4. Hanukkah lasts eight nights; its lights recall rededication and the oil tradition.

Shared activity reasoning

1. Lights — Both. Both sources describe lights.
2. Eight nights — Hanukkah. Card H gives the duration.
3. Diyas — Diwali. Card D and O identify the lamps.

Exit responses

Name one shared feature. Both can use lights in celebration.

Name one difference supported by the sources. Hanukkah lasts eight nights; its lights recall rededication and the oil tradition.

Teaching and evidence record

Supplied scheme of work teaching sequence: Sort images from two celebrations into same/different. Complete a comparison grid and explain one similarity or difference.

Look for

F: comparison grid and explanation.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
