Remember

Why might people remember people affected by conflict? To recognise lives, loss and experiences and to learn from the past.

What makes a caption respectful and useful? Accurate words, a source and no invented personal account.

How to show your learning

Create a respectful symbol and caption about why people remember.

People remember _____. My _____ helps because _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
