

Festivals of light around the world

Learning goal: Investigate festivals of light around the world with a Geography link.

Words to use

Word	Meaning
festival	A special period of celebration or remembrance
belief	Something a person accepts as true
tradition	A practice passed on
respect	Care for people and what matters to them

Remember

Does Diwali belong to only one country? No. Communities observe it in several countries.

What supports an explanation of a festival's meaning? A credited account from people or organisations explaining the observance.

How to show your learning

Locate one festival example on a map.

In ____, some communities _____. The source explains _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
