

Presenting belief and belonging

Learning goal: Present findings on belief and belonging.

Words to use

Word	Meaning
festival	A special period of celebration or remembrance
belief	Something a person accepts as true
tradition	A practice passed on
respect	Care for people and what matters to them

Remember

Why should a presentation use evidence? It allows the audience to check the claims.

What should be recorded after presenting? A question response and one reflection or improvement.

How to show your learning

Plan and present three points on place, celebration and meaning.

My first point is _____. The source or map shows _____. A limit is _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
