

Arrival choices

Previous lesson reminder:

A · Rotary phone

B · Smartphone

Start with 1 and 2. Try 3 and 4 when ready. Reading and exact scribing are available.

1 What source could help date an old telephone?

Support: Use the reminder strip or talk it through with an adult.

My response

2 Which meaning fits past?

Support: Choose: A time before now OR The time we are in now.

My response

3 What two comparisons should your final record include?

Support: Use the model evidence anchor C or read one relevant card together.

My response

4 Why retain the source caption?

Support: Give a reason when ready.

My response

Stretch: use a precise example or explain which detail supports your answer.

Evidence cards

Read, point or listen. Keep the source label with any detail you use.

A A fictional week

Monday: choose a club activity. Wednesday: practise the activity. Friday: share what was made. The words Monday, Wednesday and Friday supply the order.

Limit: This example does not describe every person or place.

B Telephone comparison

A rotary telephone and a smartphone both support conversations over distance. A smartphone can also show a video call; a rotary dial selects numbers differently.

Source: Authored comparison of familiar objects

Limit: A newer object is not automatically better for every person or purpose.

C Photo enquiry

Use the paired local photographs supplied with this unit. Read the captions and dates. Point to one feature in each image before deciding what changed.

Source: See photograph captions and credits

Limit: A camera angle or season can make features appear different; a photograph alone may not explain why.

D Questions worth asking

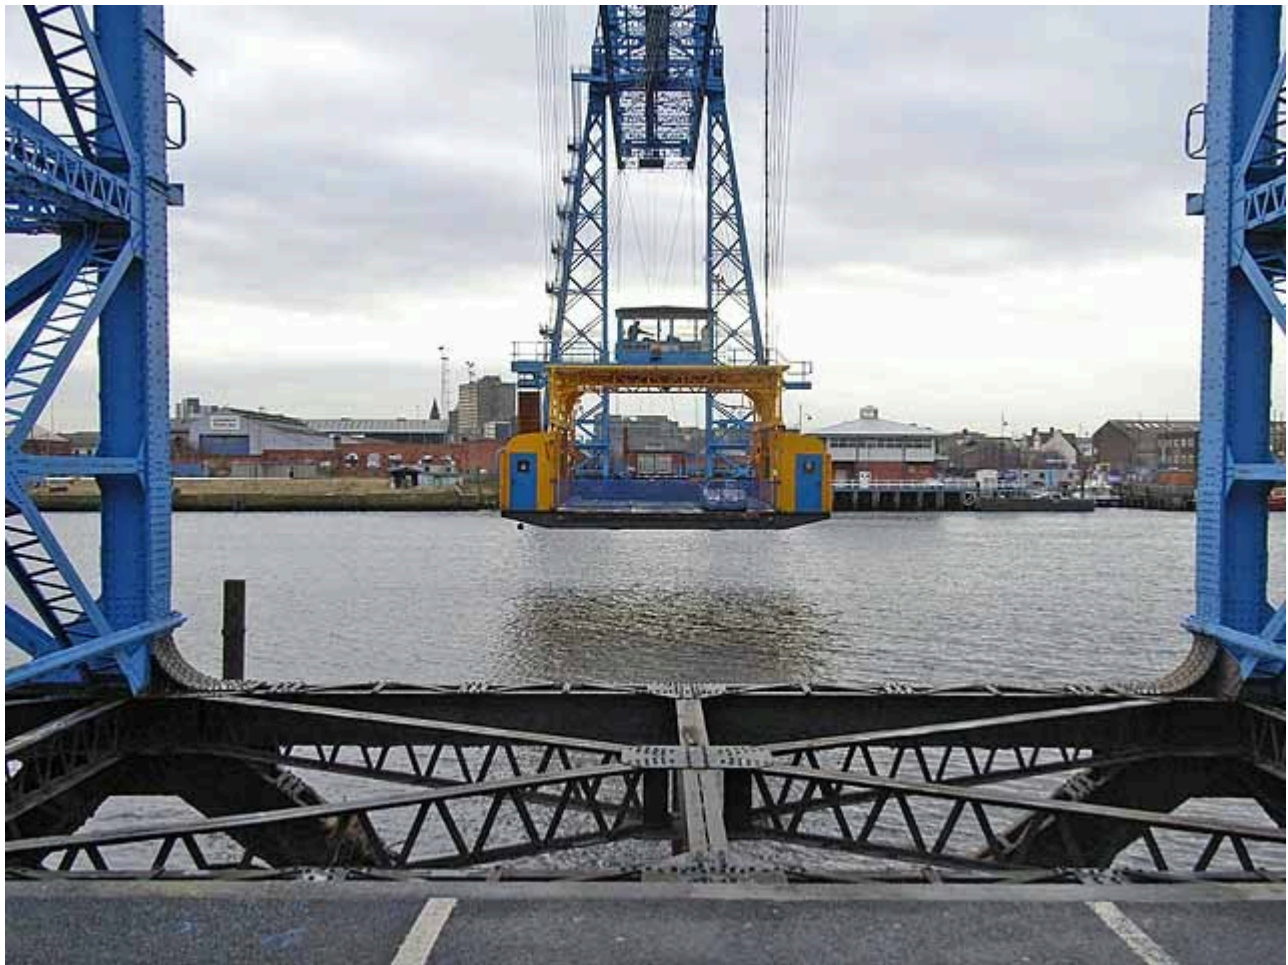

Who used this object? When was this photo made? A dated catalogue entry can help with time; a user's account can help with experience.

Shared investigation

1. Review a practice caption for evidence and accuracy.
2. Identify the difference between a change and a reason for it.

Work with a partner or adult, or use your own table. One person suggests; the other checks the evidence. Swap after one turn. Passing is allowed.

Use the evidence cards and any visual sheet. Follow the two shared steps above, then record one decision.

Our explanation
