Understanding the Holocaust respectfully / LAUNCH_S1_W02

Outcome: Study the Holocaust sensitively linked to Holocaust Memorial Day.

Evidence to retain: F: accurate contextual response and exit check; monitor regulation.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Explain the content before starting. Offer a planned break and a factual written route. Never simulate persecution. Teacher previews any external archive page or video. The supplied four-word excerpt and paraphrase provide a non-graphic written route. The external page also contains family-loss context; preview it before projecting. Do not invent a recording date if the item page does not state one.

Access and regulation

Pre-teach terminology and model evidence use. Chunk sources and data; provide an initial frame, then reduce it. Maintain normal access arrangements. Extend by weighing limitations, alternative explanations and evidence quality. Adults support access and evidence selection without supplying answers. For sensitive material, explain content beforehand, offer a short regulated break and avoid graphic imagery, simulation or role-play.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

Use sensitive content warnings where relevant. Do not ask for family details or personal experiences.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

F: accurate contextual response and exit check; monitor regulation.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
