

Evaluating survivor testimony

Learning goal: Evaluate survivor testimony from a curated online archive.

Words to use

Word	Meaning
conflict	A serious struggle including war
persecution	Deliberate unfair targeting of a group
Holocaust	The Nazi-led genocide of six million European Jews
testimony	A person's account of what they experienced

Remember

Can a survivor's account reveal something a policy document may miss? Yes. It can reveal personal experience and remembered meaning.

Does one testimony represent all Jewish lives? No. Evaluate its particular perspective and context.

How to show your learning

Annotate the credited testimony with what it reveals about one person's life.

The speaker remembers _____. This reveals _____. It is useful for _____, while it cannot establish _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
