

Fair and unfair decisions

Learning goal: Talk about what is fair and unfair.

Words to use

Word	Meaning
fairness	Giving people a fair chance and meeting needs
care	Acting to help with a need
right	A basic entitlement held by people
responsibility	Something we should take care to do

Remember

Is fairness always identical treatment? No. Different needs may require different support.

What should a reason connect? The chosen action and the need it meets.

How to show your learning

Make a decision card for a new club dilemma: one pupil cannot read the activity instructions.

The need is _____. A fair action is _____ because _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
