

Our class caring action

Learning goal: Take part in a class caring action.

Words to use

Word	Meaning
fairness	Giving people a fair chance and meeting needs
care	Acting to help with a need
right	A basic entitlement held by people
responsibility	Something we should take care to do

Remember

What is evidence that you took part? A dated observation, the created item or an exact recorded account of your contribution.

Can a plan alone prove the action happened? No. Retain evidence of what was actually done.

How to show your learning

Carry out one agreed contribution: make a label, check its readability or organise an accessible resource option.

My role was _____. I did _____. The feedback or observation was _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

You can respond by speaking, pointing, drawing, typing or writing. A fictional personal example is welcome.
