

Special things and why they matter

Learning goal: Talk about what is special to me and give one reason why.

Words to use

Word	Meaning
special	Important to someone for a reason
sacred	Special and holy to people of a faith
belief	Something a person holds to be true
respect	Treating people and things with care

Remember

Why is the watch special to Mina? It was her grandad's and it reminds her of him.

Does an object have to cost a lot to be special? No. The meaning makes it special, not the price.

How to show your learning

Choose, draw or describe one special object. It can be fictional.

___ is special because ___.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
