A story of belonging / BUILD_RE_A1_W03

Outcome: Listen to a story of belonging and identify one example of belonging.

Evidence to retain: F: sequenced story and one sign of belonging.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Pause frequently; check literal understanding before meaning; avoid asking students to discuss their own family/community if uncomfortable.

Access and regulation

Chunked story; visuals throughout; repeated key sentence; sequencing instead of writing; verbal/scribed route; processing time.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.
