

Sharing something special

Learning goal: Share or describe a 'special to me' object respectfully.

Words to use

Word	Meaning
meaning	What something stands for or why it matters
memory	Something you remember
share	To tell or show something to others
respect	Treating people and things with care

Remember

What can make an object special? A person, a memory, a belief or a place.

Do you have to share a real object from home? No. A photo, drawing or object card is a complete response.

How to show your learning

Choose a real object, photo, drawing or object card.

This is _____. It is special because _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
