

Taking part respectfully

Learning goal: Take part respectfully in a classroom celebration activity.

Words to use

Word	Meaning
celebration	A way of marking a special time
worship	Showing devotion to God or gods
symbol	Something that stands for an idea
respect	Treating people and things with care

Remember

Is making a rangoli-style pattern in class worship? No. It is learning about a celebration.

Which kind of light do we use in the classroom? Battery lights only. No real flame.

How to show your learning

Create a light-themed card, pattern, decoration or symbol drawing.

My ____ shows _____. It means _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
