

Place of worship enquiry

Learning goal: Identify key features of a place of worship and explain one purpose.

Words to use

Word	Meaning
place of worship	A building where people meet to worship
feature	A part of a building with a job to do
purpose	What something is for
mihrab	A niche in a mosque wall showing the direction of Makkah

Remember

Name one feature of a mosque and its purpose. For example, the mihrab shows the direction of Makkah for prayer.

Is a place of worship used only for worship? No. Many also serve the community.

How to show your learning

Label three features for your visitor guide.

The ____ is for _____. This shows that _____.

Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
