Belief and identity assessment / GROW_RE_A2_W07

Outcome: Show understanding of beliefs, festivals, belonging and respect using evidence from the term.

Evidence to retain: S: belief-and-identity assessment and UAS evidence task.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3. Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Use normal access arrangements; clarify instructions without giving answers; record support used; retain evidence; note misconceptions for Spring planning.

Access and regulation

Reader/scribe/typing as normal way of working; chunked pages; reduced reading; enlarged text; extra processing time; accessible response formats.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use a different example for shared practice. During independent assessment, keep the agreed reader, scribe, glossary or response mode, but withdraw answer models and record prompts separately.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: What makes evidence strong?

Evidence: A Using a source: Point: answer the question. Evidence: "The source shows..."

Explain: "This means... because..."

Think aloud: It fits the question, it is accurate and you can explain it.

Check: Is a model answer the only correct answer? No. A different answer with good evidence is just as strong.

Arrival answers

1. For example, accept their choice without mocking it.
2. An example or fact that supports an answer
3. It fits the question, it is accurate and you can explain it.
4. No. A different answer with good evidence is just as strong.

Shared activity reasoning

1. A row of lit diyas — How can a festival show belief?. Light at Diwali stands for good overcoming evil.
2. Simran serving langar — How can a community support belonging?. Serving others helps Simran feel part of something.
3. Ben's reply to Aaliyah — How can we respect different values?. He accepts a priority he does not share.

Exit responses

What makes evidence strong? It fits the question, it is accurate and you can explain it.

Is a model answer the only correct answer? No. A different answer with good evidence is just as strong.

Teaching and evidence record

Supplied scheme of work teaching sequence: Arrival: 4-picture retrieval quiz. Starter: identify the strongest evidence for an answer. I Do: model how to use a source/image in a response. We Do: complete one supported assessment question together. You Do: complete the belief-and- identity assessment/UAS evidence task using the agreed access route. Exit ticket: one strength and one next step.

Look for

S: belief-and-identity assessment and UAS evidence task.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
