

## Worship, prayer and practice

Learning goal: Describe one form of worship, prayer or reflection and explain its purpose.

### Words to use

| Word     | Meaning                                   |
|----------|-------------------------------------------|
| worship  | Showing devotion to God or gods           |
| prayer   | Communicating with God, aloud or silently |
| devotion | Deep love and commitment                  |
| purpose  | What something is for                     |

### Remember

Give one purpose of prayer. For example: praise, gratitude, guidance or asking for forgiveness.

Is reflection always addressed to a god? No. Non-religious reflection is not.

### How to show your learning

Choose one practice.

In \_\_\_\_, people \_\_\_\_\_. The purpose is \_\_\_\_\_ because \_\_\_\_\_.

### Evidence matters

Fictional cases are teaching examples. Historical, geographical and religious claims use the named sources. A model video demonstrates a method.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.
