Worship, prayer and practice / LAUNCH_RE_A2_W01

Outcome: Describe one form of worship, prayer or reflection and explain its purpose.

Evidence to retain: F: one practice described with its purpose.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Keep activity observational and non-devotional; model respectful language; check meaning rather than memorisation.

Access and regulation

Visual sequence; reduced choices; pre-taught vocabulary; verbal/scribed response; sensory-aware alternative to audio/video.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner's individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner's evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: Give one purpose of prayer.

Evidence: A Salah: Muslims offer salah five times a day facing Makkah, after washing (wudu). Purposes include obedience to God, gratitude and staying mindful of God through the day. B Christian prayer: Christians pray alone and together. The Lord's Prayer includes praise, asking for daily needs and asking for forgiveness.

Think aloud: For example: praise, gratitude, guidance or asking for forgiveness.
