A structured “compare” response / LAUNCH_RE_A2_W06

Outcome: Produce a structured comparison using evidence from two worldviews.

Evidence to retain: F: one comparison answer using both / however / because.

Forty minute route

Arrival 4 min; starter 3; model 6; shared task 7; check 2; independent 12; review 3; exit 3.
Pause time is flexible.

Preparation

Choose one independent route. Print the evidence and shared cards, required visual or data sheet, route worksheet and exit. The organiser is one separate A4 page. Keep answers with staff.

Model one clause at a time; prompt evidence for both sides; avoid excessive exam technique for non-GCSE learners.

Access and regulation

Sentence starters; oral rehearsal; colour-coded structure; reduced writing target; scribe/typing; word bank.

Offer a predictable start, private response and agreed pause. No cold calling or forced personal disclosure. Rejoin at one clearly named next step. Keep teen-appropriate examples and the same learning goal across response modes.

This is learning about religion and worldviews, not worship. Nobody is asked to share a personal belief, family detail or loss.

Assessment

Use questioning and the exit response to decide the next step. Record the learner’s individual contribution and the access support used.

UAS: no approved unit code is supplied. Match the learner’s evidence to the centre-selected unit and exact criteria before submission. This pack makes no automatic award claim.

Model and answers

Read these pages before teaching. Hide the model during independent assessment.

Question: Which words show that an answer is comparing?

Evidence: B The structure: Both... (similarity). However... / whereas... (difference). Because... (reason from evidence).

Think aloud: Both, however, whereas.

Check: Are two descriptions side by side a comparison? No. A comparison links them.

Arrival answers

1. Both support helping others and reducing harm, although they explain their reasons differently.
2. To show similarities and differences
3. Both, however, whereas.
4. No. A comparison links them.

Shared activity reasoning

1. Muslims go to Makkah. Catholics go to Lourdes. — Both Hajj and Lourdes are journeys to a sacred place. However, Hajj is a duty for Muslims who are able, whereas visiting Lourdes is a personal choice.. It now has a similarity and a difference.
2. Prayer and reflection are different. — Both can create time to consider what matters. In these examples, Muslim and Christian prayer addresses God; the non-religious reflection does not.. Name the particular examples instead of claiming every kind of prayer is identical.

Exit responses

Which words show that an answer is comparing? Both, however, whereas.

Are two descriptions side by side a comparison? No. A comparison links them.

Teaching and evidence record

Supplied scheme of work teaching sequence: Arrival: 4 retrieval questions. Starter: spot the difference between 'describe' and 'compare'. I Do: model a structured compare paragraph with 'both / however / because'. We Do: improve a weak comparison together. You Do: answer one Autumn 2 comparison question using a scaffold or oral recorded response. Exit ticket: highlight the comparison word used.

Look for

F: one comparison answer using both / however / because.

Accept accurate equivalents, including speech or exact scribing. Check the concept and use of evidence rather than length or handwriting. Record access support separately from content prompting.

BUILD: a concrete example with a reason or demonstrated action. GROW: explain or compare with a relevant detail. LAUNCH: connect evidence and reasoning; use a limitation when the outcome requires it. Keep RE responses non-GCSE.

Media

Original captioned teaching model made for this pack. It demonstrates the supplied reasoning; it is not historical footage, survivor testimony or a documentary. The full transcript and factual source credits are included.

Use manual steps for a calm pace. The silent MP4 has visible captions and a matching text transcript. External archive media is optional and should be previewed before class.
