Work in your book. You may point, speak, sign, draw or direct an adult. A quiet or silent route is available.

Optional next level stretch

Set one skill goal. Keep your first test. Try a cue and ask for one useful comment. Say why you will keep or change the cue for practice. Plan a fair next test.

Retain: Keep your goal, first test, practice note, feedback and reason. Note the cue for the next test.

Explore success does not depend on this task.
