Weekly outcome: Develop a skill and record it in my arts log.

Choose a quiet or silent route if helpful. Ask for help or take a calm pause. GROW keeps one chosen skill across both lessons and records a fair before and after test.

Comparing my skill tests

GROW Spring 1 Week 2 Wednesday 13 January 2027 P5 Year A Explore

Use your own before and after tests. A teacher model is not your evidence.

The same test

Keep the same chosen form and four-part task in both tests. Use the same size or pace guide. Record any help used.

Before

Keep your first four marks or a precise note of four quiet actions. Notice how even the gaps or pace are.

Practice

Choose one small target. Test it in short trials. Keep a note of what you did.

After

Try the same four-part test again. Record the result you get. It may be more even, the same or less even.

A fair view

Compare one feature in both records. Say what the practice may have helped. If the form changes for access, keep the old test and make a new before test for the new form.

My one skill was ___.

Before I noticed ___. After I noticed ___.

I think the practice ___ because ___.
