Developing my resilience piece

Weekly outcome: Create my resilience-themed piece.

I can develop my piece and explain my changes.

Today I can

I can continue my piece from the real next step.

I can check it against my intended idea.

I can log my decisions, changes and actual stage.

Words to use

resilience — Finding a way forward, with help or a change of plan.

intention — The idea or effect you want to show.

decision — A choice you make.

revise — Change part of a plan or piece.

One worked example

Teacher example only: I finished the route. I tested a longer gap but kept the short gap because I wanted a clear, steady turn.
