Weekly outcome: Review and improve my work.

Today: I can review my real work and test one change for a reason.

Key words

review - Look or listen again and say what you notice.

intention - What you want your work to suggest.

feature - A part you can notice in the work.

feedback - A comment about the work that may help a choice.

revise - Make a change for a reason.

effect - What a feature seems to do.

My task

Choose one small change from your review.

Test it in your actual form or a small test version.

Keep the real starting feature and the test result.

Record what the test did and what you will revise next time.

A useful sentence
