# Plant care jobs and routine

Pink supported edition

Seasonal growing & plant care.

## Find and check

Find the labelled tray.
Tray code ____
Choose your job.

Look at growth and the light.
Check moisture with the adult.
Keep the roots still.

## Choose care

Damp already? No water may be needed.
Water gently only if needed.
The adult checks the safe bright position.

## Room for roots

Ask the adult if seedlings need more room.
They may not be ready yet.

Thinning leaves more room.
Pricking out moves a small seedling.
The adult checks the crop and leaves first.

Keep pea roots in their root ball when moving.
Do not pull tangled roots apart.
Waiting is a valid choice.

## Finish safely

Park tools and clear spills.
Wash hands with soap and water.
No tasting or eating.

## Our care routine

| When | Job and care |
|---|---|
| Each lesson | Checker ____ and recorder ____ check and record care. |
| Other days | Adult backup checks daily. Check first, then water if needed. |
| After a move | Keep the tray code. Record the change. |

## My one line

I checked ____ and chose ____ because ____.

Use your book or tell an adult what to scribe.
You may ask for a quiet pause.
