Growth record through Week 5

White standard edition

Seasonal growing & plant care.

Continue the original record

Crop: garden pea
Original tray code: ____
Seeds sown, if known: ____
Medium, if known: ____

Keep the Week 1 sheet and entries. Use this continuation only if needed. Copy earlier records accurately, or write earlier record unavailable. Do not replace an earlier observation with a new one.

Add Week 2

Count actual emerged shoots. Measure the same marked shoot from the medium surface in centimetres if visible. Record no shoot yet or no visible change when true. Check moisture before watering. Record actual care and any move or support under the original tray code. No tasting or eating.

Growth record through Week 5 continued
