Safe practical jobs and self check

Pink supported edition

Using gardening tools safely.

Get ready

Choose one job with the adult.
Check the tool and clear space.
Cover cuts. Use suitable footwear and gloves.

Do one safe job

Scoop medium with a hand trowel over a tray.
Move a plant only if ready and needed.
Keep the root ball intact.

Not ready? Practise with an empty pot.
Keep a hand fork away from seedlings and roots.
Water gently only if needed.

You may observe or record.
Park tools and tell the adult before a pause.

Pink supported edition

Finish safely

Brush soil off blunt tools. Wipe and dry.
Leave sharp blades to the adult.
Store tools and wash hands with soap and water.

My safe working self check

Use your book or tell the adult.
Choose yes, help or not yet.

Safe working check	My check
I checked the tool and clear space.	Yes / help / not yet
I used the right tool and kept hands clear.	Yes / help / not yet
I parked tools and cleaned only blunt tools.	Yes / help / not yet
I stored tools and washed my hands.	Yes / help / not yet
