# Words for our practical jobs

White standard edition

An adult can read each word aloud.

**hand trowel**

A small tool for scooping medium and making a planting hole.

**hand fork**

A small fork for loosening an agreed empty area.

**secateurs**

A sharp cutting tool controlled by the adult.

**repot**

Move a plant and its root ball into a suitable pot.

**inspect**

Check carefully for damage or a hazard.

**store**

Return clean dry tools to their agreed safe place.
