Words for our practical jobs

White standard edition

An adult can read each word aloud.

pot on

Move a plant with its root ball into a suitable larger pot.

plant out

Move a ready plant into its suitable outdoor growing space.

root ball

Roots and the growing medium held around them.

harden off

Gradually help an indoor-grown plant adjust to outdoor conditions.

handover

An accepted transfer of clear care information and responsibility.

backup

An agreed adult role that covers if the usual checker is unavailable.
