Reference sheets

A · Sequence cues

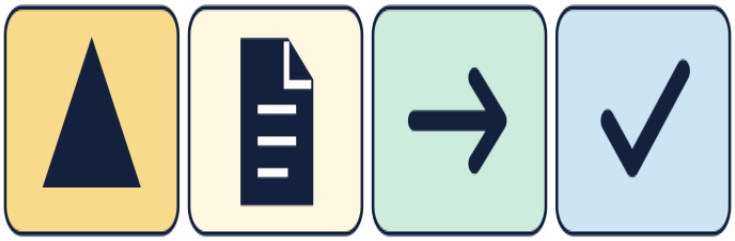

Triangle is the start. Circle is the group part. The page is artwork. Square marks a shared stop.

B · Testing feedback

Triangle marks the share. Page marks the listener’s record. Arrow shows a change. Tick marks a check.

Worked model

Ask the question

Watch the model: choose a group role and agree a quiet option.

Find the evidence

Check the space and place the start and stop cues in clear view.

Explain the link

Run the four-step sequence together and keep the stop cue visible.

Check what we know

Compare two listener comments and choose the one we can test.

Shared investigation

Choose a group role or quiet option with an adult.

Set the start, artwork and stop cues where everyone can see them.

Run a short trial of the four-step sequence together.

Compare two listener comments and identify which one gives a clear action.

Explain to a partner which cue you would adjust and why. You may pass.

In your book, record your role and cue plan for Lesson 2.

We do decision checkpoint

Which comment gives the group something it can act on?

A · The stop cue was hard to see.

B · It was fine.

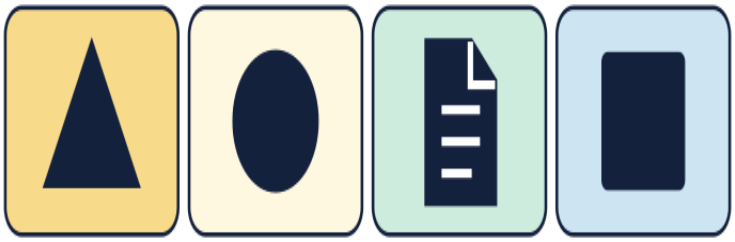

Catch up for absence or access

Watch the model: choose a group role and agree a quiet option.

Try the first step with the group or point through it quietly.

Arrival · Supported

Start with the picture. Point or make a mark in your book.

1. How many triangles are in the first box?
2. Point to the first box in the sequence.
3. Point to the last box in the sequence.
4. Which word fits: ready, help or pause?

Green · Ready, Amber · Help, Red · Pause. Choose in private or pass.
