Teacher and cover plan — Show one part, say why you made it

Pathway: BASE · Week 6 Part 1 · Big question: How can we show one part of our artwork and say why we made it?

Learning goals and studio kit

• Pick your best corner or mark on your self artwork.

• Use a pointer card to show that part to a small group.

• Say one clear short line: 'I made this part with... because...'

Studio kit: Fill ind Week 2/4 self artworks,Week 5 log pages, card pointer arrows, speaking prompt strips, display easels

Arrival and starter

Arrival: Look at your finished self piece. Which part are you most proud of?

Starter question: Do you have to talk about every single mark on your page for ten minutes?

Teacher model (I do)

Step 1: Place the pointer arrow: I put my yellow card arrow pointing to the thick wax outline on my shield.

Step 2: Practise with the prompt strip: I touch the words on my strip: 'I used white wax. It works as it shines through the dark blue.'

Step 3: Show and say to the group: I hold my card steady, point to the arrow,. Say my short line clearly.

Practice routes (Supported / Independent / Aspire)

Supported: Pointer arrow placed. Choice shared with a partner or adult.

Independent: Written 'because' short line shared clearly with table group plus peer feedback.

Aspire: Two-step art show linking test to final piece. Answering a peer question.

TA and cover notes

TA focus: Offer 1-to-1 or pair sharing first for pupils who find group speaking stressful; pointing to the arrow. At the same time an adult reads their card is fully valid.

Staff prep: Staff preparation only: review a short clip on facilitating low-anxiety table art critiques using physical pointer arrows.
