Staff answers & diagnostic guide — The marks you chose

Pathway: BASE · Week 7 Part 1 · Big question: How have my art marks grown stronger from Week 1 to Week 7?

Starter answer & explanation

Question: Why do we look at our Week 1 test right next to our finished piece today?

Correct: So we can see clearly how much stronger our control and dark and light grew — Yes. Putting Week 1 next to your final piece proves your progress.

Guided team check (We do) answers

Q1: When putting your pages into your studio folder at the end, what order goes best? -> Week 1 at the front through to Week 7 at the back like a story book (Yes. Keeping pages in week order lets anyone follow your journey.)

Q2: Which of these is a clear, helpful next-step goal for art? -> Next time I want to press lighter with my pencil to make smoother mid-tones (Yes. Naming one clear tool skill helps you in the next unit.)

Q3: What should you do if you spot a loose corner on one of your log photos today? -> Put a quick dab of glue stick under the corner now so the folder stays neat (Yes. A quick tidy check leaves your log in top shape.)

Exit check answer

Question: Why do we keep our Week 1 tests alongside our finished artwork?

Correct: To show the whole story of how our skills grew stronger — Yes. Tests plus finished work show your real progress.
